

THE ALLMAND NIGHT RESPONDER

Because emergencies don't follow a 9-to-5 schedule.

You're on call 24 hours a day, 7 days a week. And you fight more than just fires. But you shouldn't have to fight the night...and neither should your equipment.

Allmand's portable light towers conquer the dark with fixtures that provide more than three times the light of traditional quartz fixtures.

Discover your best ally in the fight against the night!

Call Allmand today: (800) 562-1373
